It is with great pleasure that I introduce our school community to you, through our Open Night.

Our school provides an extremely warm and caring environment for learning where the whole school community shares a common goal – to do the very best for all the children in our care.

Of course, no advertisement can convey the real atmosphere of a school. I warmly invite you, therefore, to visit the school on our:

- **Open Night (Monday 4th December from 5.00-7.30pm)**
- **Open Morning (Tuesday 5th December from 10.45 – 11.45am)**
- **Or by booking an appointment by contacting the school office on 028 44 613045**

Additional information about our school, including our Prospectus can be found via our website and our school Facebook page, however we encourage all parents to come and experience our school firsthand.

For more information about our school and to express your interest in Primary 1 or Rang 1 for September 2023 please use your mobile device (camera) to scan the QR code and fill out the online expression of interest form attached.
